

MHS Athletic Booster Club

July 2022

Dear MHS Parent:

The purpose of this letter is to ask you to consider supporting Mukwonago High School athletics by becoming a member of the MHS Athletic Booster Club. As a member you will be playing a significant role in continuing our strong support of the MHS athletic programs. Every school year, nearly 800 students participate in at least one sport at MHS, and many participate in as many as three or four sports each school year.

As a parent of a high school athlete, you are aware of the ever increasing costs of participating in Division 1 high school athletic programs. The MHS Athletic Booster Club provides funding to participating sports teams for equipment, uniforms or other requests that are not funded by the school district. With your support MHS has been able to maintain the quality of the athletic programs and continues to be competitive in the Classic 8 conference and contributes to a meaningful high school experience for our children.

Last year alone the Mukwonago High School Athletic Booster Club provided **over \$50,000** in support of MHS Athletic programs. Every team at every level has benefited. Not only have individual sports teams benefited, but the Booster Club has provided equipment and support for the athletic and fitness programs benefitting all students.

For the basic membership donation of \$40, you and a guest can attend up to 12 different sporting events free of charge. That's a savings of up to \$80. If you and a guest attend only 4 sporting events you will cover the cost of the membership. Your entire donation goes directly to support MHS athletics programs.

I look forward to you joining the MHS Athletic Booster Club and continuing the strong support of MHS athletics we have been able to provide. The membership application is attached. In addition, we accept online applications and payment via credit card. You can register online at <https://bit.ly/mhsboosterclub>

Sincerely,

John Thornton, President (mhsboosterclub@gmail.com) (cell: 414-303-1530)
